

USER MANUAL V1.1

Android Car Box

Plug In Car Android System via Original USB

How to confirm if your car has Apple wired CarPlay or Android Auto function

● Method 1:

Connect your iPhone or Android smart-phone to your car by USB data cable and see connection interface logo on your car display.

● Method 2:

Check the compatible list below or check with your car manufacturer to see if your car has this capability.

Check out the app for supported car models.

Carplay

Android Auto
