3. Safety & Compliance?

3.1 Safety Warnings?

Do not use the earbuds at high volume for extended periods to avoid hearing damage. The World Health Organization recommends keeping the volume below 85dB for daily use.?

Keep the product away from water, fire, high temperature, and humid environments. Do not immerse it in water (IPX5 only protects against sweat and splash).?

Do not disassemble, modify, or repair the product by yourself. Any unauthorized operation may void the warranty and cause safety hazards.?

Keep the product and accessories out of reach of children under 3 years old to prevent choking hazards (small parts like ear tips).?

If you experience discomfort or pain in your ears while using, stop using immediately and consult a doctor if necessary.

3.2 EU Compliance?

This product complies with the essential requirements and other relevant provisions of Directive 2014/53/EU (Radio Equipment Directive) and Directive 2011/65/EU (RoHS Directive).?

CE marking is applied to indicate compliance with EU regulations.?

Waste electrical and electronic equipment (WEEE): Do not dispose of this product as household waste. Please recycle it in accordance with local WEEE recycling regulations to protect the environment.
