-

5. Safety Information

- For indoor use only.
 - Keep away from moisture and extreme temperatures.
 - Do not attempt to open or disassemble.
 - Use original Samsung or certified USB-C cables.
 - Stop using the charger if it becomes damaged or functions abnormally.
-

6. Frequently Asked Questions (FAQs)

Q1: Which devices support 45W Super Fast Charging?

A: Devices like Galaxy S22 Ultra, Note10+, Tab S series, and other PD/PPS compatible phones and tablets.

Q2: Why is my device not charging at full 45W?

A: Not all devices support PPS or 45W input. Charging speed may decrease as battery approaches full capacity to protect battery health.
